

## Value to Health Systems

There are great benefits in healthcare system partnerships with long-term care providers who can efficiently manage complex patients. The Align Senior Care model empowers providers to achieve this objective by offering our members these exclusive benefits.

**We offer competitive Medicare reimbursement – at or above market value.**

### Reduce avoidable ER visits and re-hospitalizations:

Align Senior Care has proven to minimize non-essential hospital admissions by over 30% when care can safely be provided in an assisted or skilled setting.

- Physician/NP visit within 24 hours of hospital discharge
- Concierge medical services offer on call assistance for any non-emergent needs
- Virtual visit options
- Collaboration with home health care, outpatient therapies, personal care, hospice services, and durable medical equipment

### Expedited discharge planning and transition of care:

- Clinical documentation provided to case management upon admission
- Conveniently discharge patients as soon as they are ready  
Our patients never require a 3-day qualifying hospital stay
- Prompt response to discharge notifications and collaboration with care partners to provide the right supplemental care
- In-person care coordination with patients prior to discharge
